Petals: (Each petal is worked back and forth in the ch-3 loops of previous rnd).

Row 1: With RS facing, using crochet hook, join B with a sl st in any ch-3 loop of Rnd 3. Ch 2, 4 hdc. Turn.

Row 2: Ch 2, (2 hdc in next st, hdc in next st) twice, turn.

Row 3: Ch 3, 2 dc in 1st st, dc in next 3 sts, 2 dc in next st, dc in last st, turn.

Row 4: Ch 3, dc2tog over next 2 sts, dc in next st, sl st in next st, dc in next st, dc2tog over next 2 sts, dc in last st. Fasten off and weave in ends. Repeat these 4 rows over each ch-3 space of Rnd 3 – 5 petals.

Edging: With RS facing, using crochet hook and B, work in hdc around the outside edge of each petal, working a sl st in center st at top of each petal and between each petal. Fasten off and weave in ends.

Small Center: With crochet hook and E, ch 3, 5 hdc in 1st ch from hook, join with a sl st in top of beg ch-3. Fasten off and weave in ends. With tapestry needle and C, embroider lines on large center of flower by inserting the needle up in the center, then back down in each of the hdc's in the circle. Using invisible thread and sewing needle, sew small center in middle of large center on each flower. Cut thirty 3 1/4" long pieces of C (10 for each flower). With back of flower facing you, insert hook in loop just below one of the 2 edge sts of large center, wrap one 3 1/4" strand of yarn around hook and pull through work; then wrap 2 ends of strand around hook and pull through as if making fringe. In this manner, attach two 3 1/4" strands behind each petal. Pull ends of strands through to front of flower, trim ends, then untwist fibers. Block wildflowers same as lilies.

Wildflower Base: With crochet hook, using D, ch 4, join with a sl st to form a ring.

Rnd 1: Ch 2, 5 hdc in ring, join with a sl st in top of beg ch-2.

Rnds 2 and 3: Ch 2, hdc in same st and in each st around, join with a sl st in top of beg ch-2.

Rnd 4: Ch 2, hdc in same st, 2 hdc in next st, (hdc in next st, 2 hdc in next st *; rep between *'s 3 times more, hdc in last st, join with a sl st in top of beg ch-2. Fasten off and weave in ends.

Leaves

Small Lily Leaves (Make 6): Using crochet hook and E, ch 18; beg in 2nd ch from hook, sl st in back loop of each ch to last st. Change to D and sl st in last st. Turn. Sc in first 2 sts, hdc in next 4 sts, dc in next 8 sts, hdc in next 2 sts, sc in next st, (sc, ch 2, sl st in 2nd ch from hook, sc) in last st; turn, working on opposite side, sc in 1st st, hdc in next 2 sts, dc in next 8 sts, hdc in next 4 sts, sc in last 2 sts. Join with a sl st in 1st. Fasten off and weave in ends.

Large Lily Leaves (Make 5): Using crochet hook and E, ch 22; beg in 2nd ch from hook, sl st in back loop of each ch to end. Turn work, sc in 1st 2 sts, hdc in next 5 sts, dc in next 9 sts, hdc in next 3 sts, sc in next 2 sts, (sc, ch 2, sl st in 2nd ch from hook sc) in last st; turn, working on opposite side, sc in 1st 2 sts, hdc in next 3 sts, dc in next 9 sts, hdc in next 5 sts, sc in last 2 sts, join with a sl st in first st. Fasten off and weave in ends.

Small Wildflower Leaves (Make 6): Using crochet hook and E, ch 17. Beg in 2nd ch from hook, sl st in back loop of each ch to end. Turn work, sc in 1st 2 sts, hdc in next 2 sts, dc in next 2 sts, tr in next st, 2 tr in next st, tr in next st, dc in next 3 sts, hdc in next 2 sts, sc in next 2 sts, (sc, ch 2, sl st in 2nd ch from hook, sc) in last st; turn, working on opposite side, sc in 1st 2 sts, hdc in next 2 sts, dc in next 3 sts, tr in next st, 2 tr in next st, tr in next st, dc in next 2 sts, hdc in next 2 sts, sc in last 2 sts, join with a sl st in first st. Fasten off and weave in ends.

Large Wildflower Leaves (Make 2): Using crochet hook and E, ch 22. Beg in 2nd ch from hook, sl st in back loop of each ch to end. Turn work, sc in 1st 2 sts, hdc in next 3 sts, dc in next 3 sts, tr in next 2 sts, 2 tr in next st, tr in next 2 sts, dc in next 4 sts, hdc in next 2 sts, sc in next 2 sts, (sc, ch 2, sl st in 2nd ch from hook, sc) in last st; turn, working on opposite side, sc in 1st 2 sts, hdc in next 2 sts, dc in next 4 sts, tr in next 2 sts, 2 tr in next st, tr in next 2 sts, dc in next 3 sts, hdc in next 3 sts, sc in last 2 sts, join with a sl st in first st. Fasten off and weave in ends. Block all leaves same as lilies.

Stems

Cut Electrical Wire in the following lengths:

For Liles: Cut 2 pieces 10½" long and 1 piece each 11" and 15" long

For Lily Buds: Cut 1 piece each 16½" and 18½" long

For Lily Bud Branches: Cut 2 pieces each 3½" long

For Wildflowers: Cut 1 piece each 13½", 15" and 19½" long

For Lily and Wildflower stems, using E, make a slip knot and tie to end of a stem. Tightly wrap yarn around stem to the other end. Cut yarn and pull end back under last wrap to secure. Put a dab of glue on each end so that yarn won't slip off.

Wrap shorter Lily Bud branches same as lily and wildflower stems.   Wrap longer Lily Bud stems in the same manner to 3½" down from top. Then, holding shorter branch against stem, wrap the 2 pieces together for about ½". Wrap yarn in a figure 8 around both pieces several times, then continue to wrap stem to end. Finish same as lily and wildflower stems.

Finishing

Lilies: Insert a lily stem into the hole in the lily base. Wrap the last ½" of the stem several times with floral tape so that the stem cannot slip out of the flower. With invisible thread and sewing needle, sew filaments to the center of the flower, enclosing the end of the flower stem.

Lily Buds: Insert lily bud stems and branches into holes in lily bud bases and wrap with tape same as for lilies. Sew the last ½" of petals closed around stems.

Wildflowers: Insert wildflower stems into the hole in bottom of wildflower bases. Wrap floral tape around ends of stems so that it covers the length of the bases and won't slip out. With invisible thread and sewing needle, sew bases to bottom sides of the large centers of flowers enclosing stems.

Adding Leaves: Using invisible thread and sewing needle, sew leaves to each stem as follows:

2 Shortest Lilies: Attach 1 small lily leaf at base of flower.

Middle Lily: Attach 2 small lily leaves at base and 1 large leaf 3½" below base.

Tallest Lily: Attach 1 small lily leaf at base and 2 large leaves 2¾" below base.

Shorter Lily Bud: Attach 1 large lily leaf at junction of the stem and branch.

Taller Lily Bud: Attach 1 small lily leaf at base of small bud and 1 large leaf at junction of stem and branch.

Shortest Wildflower: Attach 2 small wildflower leaves 2¾" below base.

Middle Wildflower: Attach 2 small wildflower leaves 2¾" below base.

Tallest Wildflower: Attach 2 small wildflower leaves 3" below base and 2 large wildflower leaves 6" below base. Gather all flowers together in a "bouquet" and tie stems together with ribbon as in photo.

Easter Lily!

This pattern is easy to intermediate, and takes just a few hours to complete. The finished flower is approximately 7 ½ inches wide.

- US F hook, 3.75mm
- Worsted weight yarn in white, green, and yellow

Make the Stamens:

First Stamen: With light green yarn, ch10. Switching to yellow yarn, continue with 5 more chains. Sl st in fourth hump from hook (the back of the first yellow ch). Switching back to green, sl st into the next green hump and on down the rest of the stamen to the end, moving the yellow yarn ends back and forth with each stitch, to either side of the working yarn, so that they are trapped under the stitches. Cut the yellow yarn, but not the green.

Second Stamen: Continue with green yarn. Ch 12. Continue as for first stamen.

Third Stamen: Continue with green yarn. Ch 10. Continue as for first stamen. Sl st to bottom of first stamen. Cut the yellow yarn and the green yarn and finish off. Do not weave in ends. Set aside.

Make the Petals: (Make 6)

Using the white yarn, ch 15.

Row 1 (WS): Working into the back of the ch, sl st in second hump from hook. Sc in next 2 ch. Hdc in 3 ch. Dc in last 8 ch. Turn.

Row 2 (RS): Working in blo for this entire row, ch2 and dc in first 8 sts. Hdc in 3 sts, sc in 2 sts, join to last st with a sl st. Break yarn and finish off. Weave in this tip end only. Do not weave in the yarn end at the base of the petal.

Make the Trumpet, adding the Stamens:

Joining Row: Using the white yarn, join yarn with sl st to WS of base end of first petal. Ch1 and sc 5 sts evenly across. Pick up second petal, and working into the wrong side of the end of this petal, continue with 5 more sc across. Continue in this manner until all 6 petals are joined. Sl st in first sc to create circle. (30 sc) Use the remaining yarn ends from the base ends of the petals to attach each petal to the one next to it with one stitch, and then weave in these ends.

Row 1: Ch1 and work evenly around. Do not join with sl st. (From here the Trumpet is worked in spirals.) (30sc)

Row 2: Working directly into top of first st of last row, [sc in 3 sts, sc2tg] 6 times. (24sc)

Row 3: Sc evenly to end of row. (24sc)

Row 4: [Sc in 2 sts, sc2tog] 6 times. (18 sc)

Row 5: Sc evenly to end of row (18sc)

Row 6: [Sc in 1 st, sc2tog] 6 times. (12 sc)

Row 7: Sc evenly to end of row (12sc) Now insert the stamen into the flower, so that the yellow crocheted ends are pointing towards the petals and the loose ends are sticking out the end you are working from. Hold these in place as you continue to work the flower Trumpet.

Row 8: Sc2tog around to end. (6 sc)

Row 9-11: Sc evenly around to end (6sc) Break yarn, finish off. Knot the white end and several of the stamen ends together so that stamens are held securely. Trim all these ends together to about ¼ inch.

Make the Trumpet Cap:

Leaving a long tail and using the magic circle, ch1 and sc 6 times in the circle. Pull the circle tight and move the tail to the front of the work, so that it points towards you from the middle of the circle. Join with sl st in first sc.

Row 1: Ch1 and sc evenly around, join with sl st in first sc. (6sc)

Row 2: Ch1, then [sc in st, then 2sc in next st] 3 times. Join with sl st. (9sc)

Row 3: Ch1 and sc evenly around, join with sl st. (9sc)

Break yarn, and finish off, leaving long tail to sew to flower. Firmly push the end of the flower into the Cap, making sure all the stamen ends are tucked in and not visible. Sew the Cap to the flower, then weave in and trim end. Flip the flower over and arrange petals to curve outward. Use the remaining long end to sew your new Lily to your favorite summer hat or to add it to your handmade springtime bouquet!
