Start: using 2mm hook and colour A make 2ch, skip 1<sup>st</sup> ch, make 2sc in next ch, join with sl st, 1ch

R1: work 2sc and continue in spiral (no joining) increasing 1sc from time to time until piece measures 2 inches and you have 9sts in the top round. Join with sl st, 1ch. From now on we'll work row by row turning work at end of row.

Turn work.

R1: 9sc, 1ch

R2: 2-st sc dec, 2sc, (1sc, 1sc, 1sc), 2sc, 2-st sc dec , 1ch

R3: 9sc, 1ch

R4: 3-st sc decrease, 2tr in the next sc, (1tr, 1picot, 1tr, 1tr) in the next sc, 2tr in the next sc, 3-st sc decrease. Finish off.

##### Stamens

Start: using A loop the yarn 5 times over the tips of two fingers.

## Assembly

Turn the sepals on WS, so that the sepals will curl downwards. Pull the stamens through the sepals' ring and secure them at back of ring. Slit the loops open and spread the stamens.

Position the trumpet-shaped petals in the gaps between the sepals with the tip pointing away from the central ring and stitch everything together keeping the stamens in the middle and the sepals spread between the trumpets. A little bit tricky, but with patience it is manageable.

## Carline Thistle Crochet Flower

### **Crochet Yarn**

- Embroidery cotton (6strands) colour A = yellow, colour B = green.

### **Crochet Hook**

- 1mm steel hook, 1.75 mm steel hook.

### **Details of components**

- large flower head with long hairy fruits
- multiple rows of straw-coloured bracts all around the flower head.

### **Crochet Flower Pattern**

#### **Crochet Flower head**

I decided to make a pom-pom as the flower head. Instead of the light beige, straw-like colour, I'm going to use a pale yellow. I'll use a couple of card discs with outer diameter of ~2inches and inner diameter of 3/4inch.

Wrap colour A around the card discs loosely about 60 times. Cut the yarn, cut between the two discs, while holding the discs tightly. Cut a piece of yarn and slide it between the two discs, pull and thigh with a couple of knots.

The pom-pom is ready.

Next, we'll make one row of bracts.

Start: using A and 1.75mm hook, make 13ch, join in ring with sl st, 1ch

R1: 20sc in the ring, join with sl st, 1ch

R2: (1sc in the next sc in the ring, 7ch, skip 1<sup>st</sup> ch and make 7sl st) repeat 20 times = 20 bracts.

## Crochet Calyx

Start: using B and 1.75mm hook, make 3ch, join with sl st, 1ch continue

R1: 4sc in ring, join with sl st, and work in spiral 16sc, 1ch

R2: make 2sc in each of the 4sc = 8sc, join with sl st, 1ch

R3: 8sc, join with sl st, 1ch

R4: (2sc in next sc, 1sc in the next sc) x 4 = 12 sts, join with sl st, 1ch

R5: 12sc, join with sl st, 1ch

R6: (2sc in next sc, 1sc in the next 2sc) x 4 = 16 sts, join with sl st, 1ch

R7: 16sc, join with sl st, 1ch

R8: same

R9: same

R10: same. Turn and work on WS.

R11: [make in next sc 1sc, 4ch, skip 1<sup>st</sup> ch, 1sl st, 3sc, sl st in next sc] repeat 8 times = 8 sepals. Fasten off B.

For the spikes that cover the calyx we're going to thread in loops of yarn and tie a knot.

## Assembly

Attach the puff to the bracts' ring (stitch or glue). Fill in the calyx with poly-fill and attach the bracts' ring.

## Conclusion

This is it! The flower crochet pattern is ready!
